

Kirkby Lonsdale Town Council, 12 October, 2022

Item 11 Lunesdale Hall

1. All members of the Town Council are Custodian Trustees of the Lunesdale Hall. The land and buildings are vested in the Council, held in trust for the Charity and essentially the Council has to agree any major issues associated with the land or buildings.
2. The Lunesdale Hall Management Committee are the Managing Trustees of the Charity. At present the Committee comprises nine Town Councillors, four members of the Community, a representative of the Parochial Church Council, a representative of the Kirkby Lonsdale Community Interest Company (CIC), a representative of the Chamber of Trade and two representatives of users of the Hall.
3. The Committee comprises 18 members, of which half are members of the Town Council. This has made the Committee unwieldy and at their meeting on 20 September the Management Committee agreed to reduce the number of Town Councillors to four, and the number of community representatives to 3. The Committee agreed that if a councillor was not able to attend, they could nominate another councillor to attend in their place.
4. The Council is therefore asked to nominate four councillors to serve on the Lunesdale Hall Management Committee.

Councillor Burchnall
