

## **Appleby Horse Fair**

Response from Police to comments made at the June KLTC meeting:

Hi Kevin, can you pass on to the council that there were drop in sessions during the fair and also after the fair. These were on every Thursday at the Fire Station.

They were advertised however as usual no one attended them.

I find that the easiest and best way is for people to call us on the dedicated line/number or email me direct with issues that they may be passed. Or report via the online portal.

This way I can resolve them quickly.

Suzanne
